

MOSO® Bamboo X-treme®

Warranty

Moso International B.V. guarantees the construction and the glueing of the Bamboo X-treme® outdoor products* for a period of 25 years from the date of purchase in accordance with the following provisions:

*) Bamboo X-treme® Decking, Cladding, Fascia boards, Sub frame joists and Edge profiles.

- This warranty does not cover damage caused by misuse, accidents, superficial fungi, insect infestation, force majeure and damage caused by any other circumstances considered unusual in normal use.
- Also not covered are purely visual impairments such as imprints, joints, discoloration by light, seasonal climate-related deformation or wear of the surface coating. Damage resulting from improper installation, maintenance, cleaning or maintenance of the surface coating, mechanical or chemical damage are also excluded from this warranty.
- This warranty statement supersedes all previous statements; the granting of the manufacturer's warranty applies only to the current version.

Scope

- Bamboo X-treme® outdoor products are natural forest products, which vary in colour, grain and appearance. The colour changes over time depending on the maintenance schedule. Colour change can not be a reason to make a claim.
- Cracks on the surface and on the ends of the product can arise from the different drying characteristics of the surface and (cross cut) ends. This phenomenon is normal for most wood species and can not be a reason to make a claim.
- The surface sides of the product will get rougher, and may produce small splinters and small cracks over time as a result of constant shrink and swell due to normal weathering with dry and wet climate periods. This phenomenon is normal for most wood species and can not be a reason to make a claim.
- Dimensional change or cupping can occur after installation. This phenomenon is normal for most wood species and can not be a reason to make a claim.
- The warranty applies to A-grade products only.
- The warranty applies only to application in normal use. Normal use includes, among other things, application of the product in the function for which it was designed.
- The warranty applies only to the original purchaser and can not be transferred.
